## Who We Are

**Bit Prime Trade** is a global crypto investment company dedicated to helping retail investors benefit from the potential of digital assets without the complexity of trading themselves. Our team of **experienced traders, analysts, and blockchain experts** use advanced trading algorithms and market insights to identify profitable opportunities in the crypto market. We handle the hard part **you enjoy the returns.**

## Our Mission and Vision

### Our Mission

To empower everyday investors with reliable access to crypto profits through secure, transparent, and professional trading strategies.

### Our Vision

To become the world's most trusted and investor-friendly crypto trading company, creating wealth opportunities for millions while setting new standards for integrity and innovation in the digital finance industry.

## Our Core Values

- **Integrity:** We put honesty and ethics first in every transaction.
- **Transparency:** Every trade, every report — 100% open and traceable.
- **Innovation:** We combine human expertise with technology to stay ahead.
- **Security:** Protecting your funds and data is our top priority.
- **Customer Success:** Your success is our greatest achievement.

## How We Generate Returns

Our trading approach combines technical precision with data-driven intelligence. We trade across major cryptocurrencies like Bitcoin, Ethereum, and top-performing altcoins, ensuring a balanced risk-reward ratio. Our system includes:

### Algorithmic Trading

Automated systems that monitor trends 24/7

### Manual Oversight

Experienced traders verify every key decision

### Diversified Portfolios

Reducing risk through asset variety

### Real-Time Monitoring

Rapid response to market movements  
The result? **Steady, risk-managed returns**  
even in a volatile market.

## OUR FOUNDERS MESSAGE

Dear Valued Investors and Partners,

**Welcome to Bit Prime Trade** — a vision built from over a decade of experience, passion, and trust in the world of cryptocurrency and digital finance.

When I first entered the crypto space more than **10 years ago**, I saw not just a new form of money, but a revolution an opportunity to redefine how people build wealth and achieve financial independence. However, I also witnessed how complex and risky this market could appear for everyday investors.

At Bit Prime Trade, we don't just manage investments — we build **trust, confidence, and long-term relationships**.

Every decision, every trade, and every innovation we make is guided by one principle:

**"Your success is our mission."**

Let's continue to create value, empower investors, and shape a smarter financial future.

With sincere appreciation,

**[ARI HENRIQUES]**

## MATCHING PROFIT

### Binary Matching Income

**EARN**

**5%**

### DAILY WITH SMART NETWORK GROWTH

Our Binary Matching Income Plan is designed to help you earn 5% daily based on your team's performance and structure

### How It Works ?

To activate your binary income, you need one direct referral on each side (1 Left & 1 Right). Once both sides are active, you start earning 5% matching income every time your team volume matches according to the rules below.

#### Pair Matching Rules:

**First Pair Matching:** You can earn from the first pair match when your team volume is either 1:2 or 2:1

**Subsequent Pair Matching:** After the first pair, all following matches are counted on a 1:1 basis.

#### Income Payout

You earn 5% binary income on the matching volume. Income closes daily at 12:00 AM, and all eligible commissions are automatically calculated and credited to your account

#### Why It's Powerful:

**Daily Earnings:** Income calculated and credited every midnight

**Team-Based Growth:** Earn from both your efforts and your team's success

**Sustainable Plan:** Balanced binary structure ensures long-term stability

**Global Opportunity:** Build teams worldwide and earn 24/7
